PROFESSIONAL EXPERIENCE

Junior Software Developer, Bluestone Tech Park

12/2024 – Present | Coimbatore

- Working independently on full-stack development for internal business projects.
- Developed multiple responsive business websites with custom admin panels.
- Built backend services using Express.js with MySQL integration.
- Designed and developed a centralized CRM system for Bluestone Group with multi-domain architecture and RBAC.

Frontend Developer - Intern, ITboomi Innovation

08/2024 – 11/2025 | Tiruppur

- Developed dynamic web applications using React for enhanced user experience.
- Collaborated with designers to create responsive and visually appealing UIs.
- Integrated RESTful APIs to streamline data flow and functionality.
- Participated in code reviews, improving code quality and team collaboration.
- Utilized Git for version control, ensuring smooth project management.

PROJECTS

DotEtrans - Landing page, <https://dotetrans.com/>

- Built the Landing Page for dotEtrans with responsive design and mobile-first principles.
- Ensured cross-browser compatibility and optimized page performance. Worked closely with the design team to implement modern UI/UX best practices

Cookdin, Admin panel

- Contributed to the Admin Panel for managing services, subscriptions, and chefs.
- Implemented CRUD operations, API integration, and reusable React components.
- Added modals, filters, and data tables for improved usability. Collaborated with developers to fix bugs and enhance overall user experience.

Bluestone Group of Institutions, Internal Websites

- **International Preschool Website <https://bluestoneinternationalpreschool.co>**  Responsive website with modern UI and admin panel for managing admissions and inquiries.
- **UPSC Landing Page : <https://upsc.bluestoneiasacademy.com/>**  High-performance landing page optimized for lead conversion with backend lead management.
- **Bluestone Groups Website: <https://bluestonegroupofinstitutions.com/>**  Enhanced UI architecture and developed reusable React components.
- **Bluestone Tech Park Website <https://bluestonetechpark.com/>**  Corporate website with cinematic animation, dynamic content management and admin dashboard.
- **Bluestone Elite Sports Website <https://bluestoneelitesports.com/>**  Interactive website with backend-powered admin panel for program and registration management.

Bluestone Groups CRM System :

Centralized multi-domain CRM with Super Admin, Domain Admin, and User roles. Implemented JWT authentication, role-based authorization, lead lifecycle tracking, and domain-based access control.
